Please keep in mind that you will be responsible for the fees incurred for professional or emergency services requested of Travel Assistance Services (e.g., medical or legal bills).

* Travel Assistance Services are available worldwide, with the exception of those countries and territories which may be involved in an international or internal conflict, or in those countries and territories where the existing infrastructure is deemed inadequate to guarantee service. You may contact us prior to embarking on a covered trip to confirm whether or not services are available at your destination(s).

MasterTrip® Travel Assistance

- Before you begin your trip, MasterTrip provides information on travel requirements including documentation (visas, passports), immunizations or currency exchange rates. The exchange rate provided may differ from the exact rate that issuers use for transactions on your card. Information on exchange rates for items billed on your statement should be obtained from the financial institution that issued your card. MasterTrip will also help you locate any lost or stolen travel materials, including luggage. This is not an insurance policy for lost/stolen luggage and we do not reimburse you for a permanent loss.
- If you have a travel emergency and need cash, MasterTrip can arrange to transfer up to \$5,000 from a family member, friend, or business account.
- This service does not provide maps or information regarding road conditions.
- Travel Services Medical Assistance
- Provides a global referral network of general physicians, dentists, hospitals and pharmacies. We can also help you refill prescriptions with local pharmacists (subject to local laws).
- In the event of emergencies, a stateside physician or nurse can be contacted for consultation with the local medical staff and to monitor your condition. If you are hospitalized, we can arrange to have messages relayed home, transfer you to another facility if medically necessary, or have a family member or close friend brought to your bedside if you have been traveling alone (at cardholder's expense). If a tragedy occurs, we'll assist in securing travel arrangements for you and your travel companion(s).

MasterLegal® Referral Service

- Provides you with English-speaking legal referrals or consults with appropriate embassies and consulates regarding your situation.
- Will assist in transfers up to \$5,000 in cash from a family member, friend or business to cover legal fees or to post bail. There is no charge for referral services; however, legal and bail fees are your responsibility.

Master RoadAssist® Roadside Service

(Available only when traveling in the 50 United States and the District of Columbia)

- If your car breaks down on the road, just call **1-800-MasterCard** and tell us where you are.
- We'll send someone to the rescue. This is not only reassuring, but it may also save you money because fees for many services (jump-starts, towing, gas delivery, and tire changes) are pre-negotiated. Road service fees will be automatically billed to your MasterCard account.
- You are responsible for emergency road service charges incurred by towing facilities responding to your dispatch, even if you are not with your vehicle (or it's gone) when the tow truck arrives. MasterCard International is not responsible or liable for the service the towing facility provides. Towing facilities are independent contractors, solely liable for their services.
- Emergency road service is not available in areas not regularly traveled, in "off road" areas not accessible by ordinary towing vehicles, or for over one-ton capacity trailers, campers or vehicles-in-tow.
- If you have a rental car, be sure to call the rental car agency before you call **1-800-MasterCard**, as many rental agencies have special procedures regarding emergency road service assistance.

LEGAL DISCLOSURE

This Guide to Benefits is not, by itself, a policy or contract of insurance or other contract.

Benefits are provided to you, the accountholder, at no additional charge. Non-insurance services may have associated costs, which will be your responsibility (for example, legal referrals are free, but the lawyer's fee is your responsibility).

The insurance benefits are provided under a group policy issued by New Hampshire Insurance Company, an AIG company. This Guide to Benefits is a summary of benefits provided to you. The attached Key Terms and **EOC** is governed by the Group Policy.

Effective date of benefits: Effective February 1, 2015, this Guide to Benefits replaces all prior disclosures, program descriptions, advertising, and brochures by any party. The Policyholder and the insurer reserve the right to change the benefits and features of these programs at anytime. Notice will be provided for any changes.

Cancellation: The Policyholder can cancel these benefits at any time or choose not to renew the insurance coverage for all **cardholders**. If the Policyholder does cancel these benefits, you will be notified in advance. If the insurance company terminates, cancels, or chooses not to renew the coverage to the Policyholder, you will be notified as soon as is practicable. Insurance benefits will still apply for any benefits you were eligible for prior to the date of such terminations, cancellation, or non-renewal, subject to the terms and conditions of coverage.

Benefits to you: These benefits apply only to the **cardholder** whose cards are issued by U.S. financial institutions. The United States is defined as the fifty (50) United States, the District of Columbia, American Samoa, Puerto Rico, Guam, and the U.S. Virgin Islands. No person or entity other than the **cardholder** shall have any legal or equitable right, remedy, or claim for benefits, insurance proceeds and **damages** under or arising out of these programs. These benefits do not apply if your card

privileges have been cancelled. However, insurance benefits will still apply for any benefit you were eligible for prior to the date that your account is suspended or cancelled, subject to the terms and conditions of coverage.

Transfer of rights or benefits: No rights or benefits provided under these insurance benefits may be assigned without the prior written consent of the claim **administrator** for these benefits.

Misrepresentation and Fraud: Benefits shall be void if the **cardholder** has concealed or misrepresented any material facts concerning this coverage.

Dispute Resolution – Arbitration: This **EOC** requires binding arbitration if there is an unresolved dispute concerning this **EOC** (including the cost of, lack of or actual repair or replacement arising from a loss or breakdown). Under this Arbitration provision, You give up your right to resolve any dispute arising from this **EOC** by a judge and/or a jury. You also agree not to participate as a class representative or class member in any class action litigation, any class arbitration or any consolidation of individual arbitrations. In arbitration, a group of three (3) arbitrators (each of whom is an independent, neutral third party) will give a decision after hearing the parties' positions. The decision of a majority of the arbitrators will determine the outcome of the arbitration and the decision of the arbitrators shall be final and binding and cannot be reviewed or changed by, or appealed to, a court of law.

To start arbitration, the disputing party must make a written demand to the other party for arbitration. This demand must be made within one (1) year of the earlier of the date the loss occurred or the dispute arose. The parties will each separately select an arbitrator. The two (2) arbitrators will select a third arbitrator called an "umpire." Each party will each pay the expense of the arbitrator selected by that party. The expense of the umpire will be shared equally by the parties. Unless otherwise agreed to by the parties, the arbitration will take place in the county and state in which You live. The arbitration shall be governed by the Federal Arbitration Act (9 U.S.C.A. § 1 et. seq.) and not by any state law concerning arbitration. The rules of the American Arbitration Association (www.adr.org) will apply to any arbitration under this **EOC**. The laws of the state of New York (without giving effect to its conflict of law principles) govern all matters arising out of or relating to this **EOC** and all transactions contemplated by this **EOC**, including, without limitation, the validity, interpretation, construction, performance and enforcement of this **EOC**.

Due Diligence: All parties are expected to exercise due diligence to avoid or diminish any theft, loss or **damage** to the property insured under these programs. "Due diligence" means the performance of all vigilant activity, attentiveness, and care that would be taken by a reasonable and prudent person in the same or similar circumstances in order to guard and protect the item.

Subrogation: If payment is made under these benefits, the insurance company is entitled to recover such amounts from other parties or persons. Any party or **cardholder** who receives payment under these benefits must transfer to the insurance company his or her rights to recovery against any other party or person and must do everything necessary to secure these rights and must do nothing that would jeopardize them, or these rights will be recovered from the **cardholder**.

Salvage: If an item is not repairable, the claim **administrator** may request that the **cardholder** or gift recipient send the item to the **administrator** for salvage at the **cardholder's** or gift recipient's expense. Failure to remit the requested item for salvage to the claim **administrator** may result in denial of the claim.

Other Insurance: Coverage is secondary to and in excess of any other applicable insurance or indemnity available to You. Coverage is limited to only those amounts not covered by any other insurance or indemnity. It is subject to the conditions, limitations, and exclusions described in this document. In no event will this coverage apply as contributing insurance. This Other Insurance clause will take precedence over a similar clause found in other insurance or indemnity language.

In no event will these insurance benefits apply as contributing insurance. The non-contribution insurance clause will take precedence over the non-contribution clause found in any other insurance policies.

Severability of Provisions: If in the future any one or more of the provisions of this Guide to Benefits is, to any extent and for any reason, held to be invalid or unenforceable, then such provision(s) shall be deemed "severable" from the remaining provisions of the Guide. In that event, all other provisions of this Guide shall remain valid and enforceable.

Benefits listed in this Guide to Benefits are subject to the conditions, limitations, and exclusions described in each benefit section. Receipt and/or possession of this Guide to Benefits does not guarantee coverage or coverage availability.

This Guide is intended as a summary of services, benefits, and coverages and, in case of a conflict between the Guide and the master insurance policies, or an issuer's, or the MasterCard actual offerings, such master policies or actual offering shall control. Provision of services is subject to availability and applicable legal restrictions.
